Health Measures

Noku SPA

- Regular deep cleaning with disinfectants (Reception and Treatment rooms).
- Availability of hand sanitizer for guests.
- All staffs will always observe & practice good personal hygiene like regular hand wash with soap before and after every treatment and wear masks during treatments.
- Proper disposal of used materials.
- Temperature check with electronic thermometer before treatment.

Diving Centre

- No group activities till further notice.

A wide-angle photograph of a beach. The foreground is a vast expanse of light-colored sand. In the middle ground, gentle waves with white foam wash onto the shore. The ocean extends to the horizon, showing a gradient of blue and green. The sky is a clear, bright blue, dotted with several fluffy white clouds. The words "Thank you" are written in the sand in a simple, hand-drawn cursive script.

Thank you

nOKU
